Mr. Alexander Rose
House, Grossman & Vorhaus
521 Fifth Avenue
New York City

Dear Mr.Rose:

The book concerning which you telephone me reached my hands this morning and after examining it I regret that I am under the necessity of writing you that we do not desire it. Its condition is very poor and the title page has gone.

Regretting that my response could not have been more favorable, I beg to subscribe myself,

Very truly yours,

Secretary.
